Education

Vanderbilt University | QuestBridge Recipient | Nashville, TN

May 2028

Major: Computer Science and Mathematics | Minor: Earth and Environmental Sciences

Relevant Courses: Algorithms, Statistics, Intro to C++, Discrete Structure, Data Structure, Intro to Java, Calculus I, II, III

Eastwood Academy High School | Houston, TX

Jun 2024

Leadership

Sophomore Liaison | FirstVU at Vanderbilt University

Feb 2026 - Apr 2025

- Planned and hosted events for the FirstVU community and focusing on mentoring other first-generation students.

VUceptor (Peer Mentor) | Vanderbilt University

Mar 2025 - Present

- Mentored first-year students, guiding them through academic and personal transition to college, serving as a dedicated resource for 15+ advisees.
- Built community by facilitating group discussions and events, including a semester-long orientation program.

Team Lead | Vanderbilt Students Volunteers for Science (VSVS)

Oct 2024 - Apr 2025

- Teach weekly science lessons to elementary and middle school students alongside a 3-4-member team.
- Developed teamwork skills while making STEM accessible to low funded schools in the Nashville area.

Lab Assistant | Vanderbilt Students Volunteers for Science

Sep 2025 - Dec 2025

- Prepared 20+ volunteer kits and organized cost analysis spreadsheets for the team, ensuring all materials were accurate and ready for weekly deployments to local schools.
- Helped inventory management processes, leading to a reduction in preparation time for volunteer kits.

Scholar | HeadStart Fellowship

Sep 2025 - Dec 2025

- Engaged in bi-weekly online sessions focused on preparing for pre-professional tech careers, including resume workshops and technical interview practice.
- Networked with industry professionals from leading tech firms to gain insights into software engineering roles and company cultures.

Art Club at Eastwood Academy | President

Sep 2021 - Jun 2024

- Directed creation of the 2023 Eastwood Art Car, leading 40+ work hours with a 4-member team.
- Coordinated fundraising initiatives, raising \$200+ for club activities.

Humanitarian Society | Info. Manager & Volunteer

Sep 2021 - Jun 2024

- Earned Presidential Volunteer Service Award with 200+ hours of service during my time at Eastwood Academy HS.
- Organized opportunities and mobilized peers for community service projects.

Quantum Science Camp | Alumni | Texas A&M

Jul 2023 - Aug 2023

- Completed coursework in quantum science and delivered a final research presentation.
